**SR167 Corridor Improvements Project
RFQ Questions**

Question	RFQ Reference (PDF Page)	Question	Date Received	Response
1	5.1, Pg. 7 (11)	Major Participant section 5.1 G (page 7 of the RFQ) considers “the firm or personnel that will be providing or performing QA as a Key Personnel” to be a Major Participant. Section 7.5 does not list a QA Manager as a Key Personnel. Please clarify whether a QA Manager should be considered and submitted as a Key Personnel in Section 2 of the SOQ and whether the QA Personnel or Firm should be considered as a Major Participant in Section 3 of the SOQ if the QA Manager is not also a Key Personnel. For reference, this same issue was addressed in Addendum 1 of the I-405 Renton to Bellevue ETL project.	10/13/2022	See RFQ section 5.1 as amended by Addendum #1.
